Show Me The Way To Go Home

Intro:   D7   G7   C   G7

C                                       C7
Show me the way to go home,
F                                       C
I'm tired and I want to go to bed,
C                                       C7
I had a little drink about an hour ago, and it's gone right to my head,
F                                       C
Wherever I may roam, over land or sea or foam,
C                                       C7
You can always hear me singing this song,
D7                                       C   G7   C   G7
Show me the way to go home

C                                       C7
Indicate the way to my abode
F                                       C
I'm fatigued and I wish to retire
C                                       C7
I had a small beverage sixty minutes ago, and it's gone right to my cranium
F                                       C
Wherever I may perambulate, over land or sea or effervescent vapor
C                                       C7
You can always hear me crooning this melody
D7                                       C   G7   C   G7
Indicate the way to my abode

C                                       C7
Show me the way to go home,
F                                       C
I'm tired and I want to go to bed,
C                                       C7
I had a little drink about an hour ago, and it's gone right to my head,
F                                       C
Wherever I may roam, over land or sea or foam,
C                                       C7
You can always hear me singing this song,
D7                                       C   G7   C   A7
Show me the way to go home
D7                                       C   G7   C   A7
Show me the way to go home
D7                                       C   G7   C   G7   C
Show me the way to go home
